ToucanTech is a **community software** used by schools, companies and charities for marketing, membership, alumni, careers, and fundraising activities. Combining a flexible **website** and powerful **database/ CRM,** it's an easy, all-in-one system.

**Database**
Import, filter, update and merge record, create custom fields, forms and admin permissions

**Community**
Connect your members on a branded network with privacy controls and mobile app

**CRM**
Track activity, measure engagement, capture consents, create postal labels, sync emails

**Groups**
Set-up club pages where admins can manage their own members, discussions, events

**Email**
Design and schedule newsletters, view stats, remove bounced emails, manage unsubscribes

**Fundraising**
Process donations and tax relief, set up funds, reconcile payments, run reports, steward donors

**Resources**
Upload photos, documents, magazines - tag, categorise, share and track downloads

**Careers**
Run a mentoring system, post jobs, publish careers guides, promote business networking

**News**
Publish articles, videos, and other content - track views, tag people, share on social media

**Events**
Manage your events (online or in-person), invites, reminders, seating plans and ticketing
